DETAILED ACTION

Allowable Subject Matter

1. Claims 20-26, 32-39, 58-84 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant's amendments are persuasive. As argued by applicant (see page 5 of the remarks), the prior art of record does not disclose a processing means/processor that estimates the time required for performing corrective action for each of the determined errors and calculating the overall time required for corrective action of all determined errors.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George R. Koch III whose telephone number is (571) 272-1230. The examiner can normally be reached on M-F 9-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christopher Fiorilla can be reached on (571) 272-1187. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
